Dedication

We, the class of 1961, proudly dedicate this annual to Mr. Albert Tremblay; custodian at Rudyard High School since 1947.

This is but a small "thank you" for the dependability, eagerness to help, and cheerfulness he has shown us in his 14 years of faithful service.

Board of Education

There is an old saying, "Behind every great man, there's a woman." The statement may be debatable, but running along the same line is the undeniable phrase, "Behind every good school, there's a good school board."

Few people realize the vast amount of work that goes on in our school board, but everyone sees its results--our new elementary school and the Kincheloe elementary school. Our school board was instrumental in both of these projects.

In addition, the seven people composing the board, Tolvo H. Salo-President, Roland W. Frechette-Vice-President, Wilfred T. Harju-Secretary, Stuart L. Howson-Treasurer, and Raymond Talsma, Mary Garlinghouse, and Leah Kemp-Trustees, set up the policy of our school — a tremendous task in itself.

And so through the years, establishing, regulating, progressing, our school board has stood behind the school and its policies. A job well done by capable people.

Class Prophecy

Miss CAROLE SMITH, President
National Lawyer's Association

Dear Miss Smith,

At the present time we are investigating a group of reknowned people, one of whom is under the suspicion of being a secret Communist leader for the past 20 years, since 1961.

His honor, Chief Justice FRED KAMPER, recommended that I write you for additional information. Enclosed is a compiled list of them and their various occupations, however this surveillance must be carried on in complete secret, and under no circumstances must the alarm be set off until we have complete proof.

It has been suggested to me by our Ambassador to Russia, Mr. GARY CLENSY, that you contact Detective DON HOWSE and his assistants, Miss CLARA MAE COTTLE and Miss DIANE KARL, and Chief of Police for the New York area, Captain FRANK DESROCHER, for their aid in this venture.

We realize that the investigation will take them far afield, but the compensations from the government will be worth their trouble.

Yours sincerely,

THOMAS SPENCER
Director of Central Intelligence

The enclosed list:

Mesdames TREVA BECKER and FAYDA WARTELLA, known for their speaking tours on the Red Cross missions throughout the college circuit, Mr. PAUL MAYER, tenor for the Metropolitan Opera, General JOE HEYWOOD and Admiral DICK MYSLIWSKI employed in the service of our great country as Joint Chiefs of Staff for the Air Force and Navy, and Miss LORENA NAYBACK, secretary of the Assistant Secretary of the Navy, Miss MARIANNE WILSON, senior senator from the state of Michigan and Minority Leader for the Senate, Mr. Sid Stellmaker, multi-millionaire owner of the Sunspot Hotel on the beach of Waikiki, Miss DIANNA BUSTAMONTE, Secretary for the United Nations General Assembly, Governor ROBERT SOUCY under investigation for appropriating funds to build a statue of Robert E. Lee and himself in the State Park in Montgomery, Alabama, Mr. DICK BEAUDOIN, international playboy who inherited a cool million from a deceased relative and managed to wind up on charity within a year of the inheritance, Mr. TRAVIS SMITH, Texas Real Estate owner who recently foreclosed a mortgage on the ex-King Ranch, Mr. DELMER BLUMENSTOCK, professional basketball player, and member of the team that defeated the Celtics in 1975, Miss ROSE ELLIOTT, established orthodonist now fitting the mouths of the children of United States President JOE RHEA, Miss DONNA FORGRAVE, head of the secretary's Union, Mr. RONALD HESSELINK, owner of the Volkswagon Factory in America, and Mr. CLINT SPRING, who has a monopoly on all two-wheeled vehicles in America.

P. S. As you can see, if word of this investigation were to leak out, a major scandal would ensue, and the government would end up paying dearly.

Mr. Tom Spencer
Director of Central Intelligence

Dear Mr. Spencer,

For the past five months we have done extensive research on the list of names you sent, and the results have come up blank time and again. However, a Miss BERTHA SLUSHER and a Mr. JAMES RUPP have been most helpful in contributing evidence that a Mr. JUD COVEYOU, president of the eccentrics at Greenwich Village, might be able to help us although he himself has been proven uninvolved.

Mr. Coveyou gave us the following group, and rough sketches of their backgrounds. We haven't got the facilities to check the validity of his statements, but felt that you might be interested.

Sincerely,

Miss BARBARA LOVELESS
Secretary to the President
National Lawyer's Association

Greenwich Village Suspects (Beatniks)

Mr. ROGER BEACOM, unsuccessful modern English Poet who in despair turned to expressionalism in its meanest (ugh!) form for his poetry, Mesdames DORIS ROSS and JUDY HINTZ, who felt that the civilized world was just not ready for them or vice versa and are now living truly crazy lives. Mr. BOB WELCH and Mr. GILBERT KAMPER, frustrated muscians who would not find a vent for their wild spirits in classical rock & roll and have since traded in their bongos for a pair of cymbals. Mr. SHELDON HENDRICKSON and Mr. RAY MARSHALL, propriators of the Expresso Shop in Lower Los Angeles.

Miss Carole Smith, President
National Lawyer's Association

Dear Miss Smith,

We wish to thank you again for your aid in our last case. Fortunately ote suspect has satisfactorily convinced us that he had no taint of suspicion on his impeccable record.

However, please contact Miss PAULETTE JARVIE, journalist for the New York Times, and officially notify her not to publicize the recent gossip that somehow reached her about the elopement of the Count of Bisbane Bay, his honor DENNY NAYBACK, and chorus showgirl JUDY PARSLEY. We have reason to believe that this expose would seriously endanger the top secrecy of our mission as well as offending Mr. RONALD FOLKERSMA and Miss SUZANNE STULL, chief contributors to the convention of Labor Leaders. This convention is due to meet within the month with AFL-CIO leader Miss KAREN HAKOLA, to decide whether to raise the wages of the Hair Dressing Union under Miss VELMA LAAKSONEN. I'm sure you will understand our feelings on this subject.

If Miss SHARON CORMAN, president of the New York School Board, found that we were even considering raising the beautician's pay before that of the recently formed Teachers Union under Miss CAROL McLEAN, or that of the Nurses Guild under the co-heads of Miss PENNY BLACK and Miss RUTH LUEPNITZ, I'd hate to even consider the opposition her business managers Miss BEVERLY ROSS and Miss MARLENE POSTMA would instigate.

Respectfully,

Miss AUGUSTA BLACK
Assistant to the Secretary
Office to the Director of Central Intelligence

P. S. We have forwarded the compensations for "aid received" from Detective Howse and Company by way of our clerk Miss SALLY THOMAS. Also, there have been some rumblings received about the efficiency of the Los Angeles Police Department under Mr. GARY COLSON, so we have sent Miss SALLY BARENS and Miss WILMA BEAUDOIN along with Major DAN RIODAN of the F.B.I. in on investigation.

Yours again,

Gussie

We began our freshman year filled with bewilderment. We looked forward to initiation fearfully but our fears vanished in the fun and laughter we shared with our fellow classmates. The seniors welcomed us with a reception. We closed the year with a summing party at Kinross Lake.

As sophomores we took out our revenge on the freshmen in initiation. In May we had another swimming party at Kinross Lake.

This year we ordered our class rings, the first step to being seniors. As juniors, we are responsible for the Junior Prom in May. We are looking forward to our last year in Rudyard High School with anticipation.

Our Class officers this year are President, Robert Mayer, Vice President, John Dority, Secretary, Judy Roe, and Treasurer, Brian White. Our student council representatives are, Gary Oja, Pete Henchliff, and Marilyn McGlinch.

We, the Sophomore class, entered our freshman year at Rudyard High School with the usual dread of initiation. It wasn't bad though. In fact we all enjoyed ourselves. One of our activities was a hayride, which proved to be fun.

Now that we have survived the perils of our freshman year, as sophomores we have had the pleasure of initiating the freshmen and our revenge from the preceeding year was quenched.

This year our class officers are: President-Marvin Thompson, Vice President-Marcia Stevens, Secretary-Jean Hakola, and Treasurer-Elaine Piippo. Our Student Council representatives for the year are Cindy McLean, Brenda Jackson, Alice Royer, and alternates, Nancy White and Ray Loetz.

This year our class was enlarged by quite a few new students.

The Sophomore class is looking forward to two more years at Rudyard High.

On Sept. 6, 1960, we the Freshmen, started our high school days at Rudyard. We were welcomed by the Seniors who sponsored a reception for us. The Sophomores then added their dreaded contribution—Initiation! We felt we had it considerably rough, and we complained to the hilt, but in general, it was enjoyed by all.

Our first class activity was a roller skating party at Pickford on October 28. The bumps and bruises (from falls) were felt a week later, but the party was considered a fair success.

We are all looking forward to three more enjoyable years as students at Rudyard High School.

Not rated any higher than third or fourth in pre-season voting for the LSC, the "Bulldogs" fought, scrapped, and hustled their way enroute to an unbeaten season and the coveted LSC championship trophy. Coach Roy Hamilton's gridders used a high powered offense with a rock ribbed defense to crush their opponents. There were no exceptional standouts, but rather a bunch of spirited boys playing as one unit . . . . as a team . . . . with one desire . . . . to win!

During the course of the season many objectives were used to describe the team's spirit, determination, and hustle, but the only word that fits them, is . . . . "BULLDOGS."

Congratulations go out to Junior end, Pete Hinchliff and Sophomore center, Marvin Thompson,who were chosen to the first team all Little Seven Conference. Also congratulations to Seniors, Dan Riordan and Dick Beaudoin, who made honorable mention.

Finis

"Our revels now are ended. These our actors,
As I foretold you, were all spirits, and
Are melted into air, into thin air:
And, like the baseless fabric of this vision,
The cloud-capp'd towers, the gorgeous palaces,
The solemn temples, the great globe itself,
Yea, all which it inherit, shall dissolve,
And, like this insubstantial pageant faded,
Leave not a rack behind. We are such stuff
As dreams are made on; and our little life
Is rounded with a sleep. Sir, I am vex'd;
Bear with my weakness; my old brain is troubled:
Be not disturb'd with my infirmity:
If you be pleased, retire into my cell,
And there repose: a turn or two I'll walk,
So still my beating mind."
